## MedAndSpa Policy

- We suggest you arrive 15 minutes before your first appointment to fill out all necessary documents. If for any reason you arrive late for your visit, it may be shortened to allow the aesthetician to be on time for her next client.
- Please allow 24-hour advance cancellation policy. No-shows will be subject to a 25 fee charged on the next visit. All prices are subject to change without notice.
- If you would like to receive text messages reminding about your appointment, we'll need a name of your cell phone carrier.
- For your enjoyment and for safety of your children, guests must be at least 14 years of age. We will gladly reschedule your appointment if you must arrive with your child.
- Prices don't include gratuity.
- Your comfort and well-being is very important to us. Prior to receiving your service, please inform us about any special needs, medical conditions, pregnancy, breast feeding, hypertension, seizures, injuries, disabilities and allergies.
- Gift Certificates are available for purchase and are usually valid for 1 year from the date of purchase.

We recommend that you book your appointment in advance in order to receive your preferred date, time and aesthetician.

## Neurotoxin

Botox®, Dysport® (prices from 4 to 4 depending on product used)  
It can treat muscle stiffness, muscle spasms, excessive sweating, overactive bladder, or loss of bladder control. It can also prevent chronic migraine headaches and improve the appearance of wrinkles on the face.

## Dermal Fillers

Juvederm®, Juvederm® Voluma, Juvederm® Volbella, Restylane®, Restylane® Silk, Restylane® Lyft, Sculptra®, Radiesse® (prices vary depending on product used)  
They help to diminish facial lines and restore volume and fullness in the face. May be used to plump thin lips, enhance shallow contours, soften facial creases and wrinkles and improve the appearance of recessed scars.

## PRP injection with MicroPen Eclipse™ (Face, Neck, Scalp)

It's called Platelet-Rich Plasma (PRP) Therapy, and it utilizes platelets from the client's own blood to stimulate healing of the skin, soft tissue and bones. This procedure can be used to improve the texture of the skin, treat dark circles under the eyes, help to erase wrinkles and create more youthful look. It can help to naturally stimulate hair growth.

## Apollo RF by Pollogen

(prices vary depending on the area treated, starting from 100)

Radiofrequency technology for non-invasive facial and body contouring. TriPollar delivers immediate and long-term skin tightening and rejuvenation, fat reduction and body contouring as well as cellulite reduction.

## Facials

### OxyGeneo™ 3-in-1 Super Facial - 250

New technology by Pollogen takes inspiration from natural hot springs known for inducing skin oxygenation and by stimulating this effect. OxyGeneo triggers a body response that sends oxygen to treated area. It helps to revitalize dull complexion, firm skin and tighten pores and renew youthful glow.

### Signature Facial - 200

Reveal vibrant, younger-looking skin with our unique Signature Facial. 1.5 hour of total relaxation and great results.

### Gold and Caviar Facial - 220

Rich, indulgent and nourishing, this anti-aging powerhouse is ideal pre-event, as a luxurious treat or as part of regular restorative regimen.

### Customized Facial - 99

### Aqua Facial - 250

During Aqua/Hydra-Dermabrasion skin is exfoliated using the spiral tip that is moved over the area while the serums applied soften the skin and sebum (skin oils) making it much easier to extract.

### Face Deli Organic Facial - 120

Organic facial is the true natural treatment that helps to get the healthiest, luminous and most youthful looking complexion. We are using delightful, fresh made products straight from California.

### Dermaplaning (Skin Leveling) - 120

(as additions: chemical peel - 30, gold mask - 30)  
Dermaplaning is a method of exfoliation that consists of using a 10-gauge scalpel to gently scrape off the top layer of dulling dead skin cells in order to reveal a smoother, brighter complexion. It also eliminates annoying peach fuzz that cakes up in makeup and can be enhanced by harsh production lighting and high-definition cameras. It removes all the dead skin cells and also the facial hair, leaving the surface very smooth.

## LED Celluma - 35

Celluma PRO is quite unlike any other LED panel device available today. Ideally sized for over the face, the Celluma PRO can be positioned easily over any part of the body, including the spine, hip or shoulder complexes, feet, knees, and more. The Celluma device is a light energy device based on NASA LED technology and is FDA Cleared to treat many musculoskeletal and skin condition such as acne, anti-aging and pain.

## Chemical Peels - prices start from 90

Chemical peels remove outer layer of the skin what helps with overall appearance. We can do whole spectrum of the chemical peels, starting with lunch time peel when you will not see actual peeling of your skin but it will look brighter and rejuvenated. We also offer medium depth peels. Vi Peel would fully exfoliate and transform your skin in as little as seven days.

**Vi Peels®** - Starting from 250

## Face Reality Acne Program

Complex program to treat all kinds of acne including specific products, facials and chemical peels.
